KARL MOISES E. TRINIDAD

Web Developer | Graphic Designer | Video Editor

Sabang, Naval, Biliran, Philippines • karlmoisest@gmail.com • karlmoises1999.github.io/portfolio

PROFILE

Computer Science graduate who builds clean, responsive websites with HTML, CSS and JavaScript, and creates graphics and videos for brands and social media. Brings a year of experience at Golden Oasys Hotel, where he designed posters and promotional graphics, edited videos and managed the hotel's social media pages alongside IT support. Currently growing his web development skills and exploring 3D in Blender and AI-assisted video. Open to web development, graphic design and video editing roles, on-site or remote.

EDUCATION

Bachelor of Science in Computer Science
Biliran Province State University

WORK EXPERIENCE

IT Support | *Golden Oasys Hotel* 1 Year

- Designed posters and promotional graphics for the hotel's marketing and social media pages.
- Edited promotional videos for the hotel's social media pages.
- Managed and posted content on social media accounts to support marketing and guest engagement.
- Created and programmed employee IDs and RFID access cards for the property.
- Provided first-line technical support for hotel staff, resolving hardware, software, and network issues.
- Set up, maintained, and troubleshot computers, printers, and point-of-sale systems.
- Monitored network connectivity and coordinated with vendors to resolve outages and downtime.
